To All Denturists Around the World from Kimberley D. Paget DD

My name is Kimberley Paget. I am a Denturist from Peterborough, Ontario, Canada. I have been practicing Denturism for 22 years. I have had the privilege of enjoying the work I love to do most of my professional career.

What saddens me are the number of denture clients who have suffered or who are recovering from cancer. Every one of us has known someone, a friend, a relative, a neighbour or a client who has been affected by this terrible disease.

As individual Denturists, we may think there is little we can do. Together however, through our generosity, we can make a difference.

In June 2010, the International Dragon Boat Festival for Breast Cancer Survivors is being held in Peterborough, Ontario, Canada. The sport of Dragon Boat racing for breast cancer survivors started in Canada and has grown to be embraced by cancer survivors around the globe. The 2010 International Dragon Boat Festival is looking for national and international corporate sponsors.

So this is my personal invitation to Denturists from across Canada and around the World to become involved as a sponsor of this event? How would this work?

Donations from hundreds of individual Denturists, when added together, could become a significant sponsor amount for the 2010 International Dragon Boat Festival. If every single one of us contribute, even a small amount, we can do this!

As a sponsor, we can both promote our profession and further the Festivals' goal of promoting an awareness of breast cancer at the international level. First and most importantly, sponsors demonstrate an overall commitment to health and well being. A commitment to health and well being has been part of the core values of the Denturist profession as long as I can remember.

In fact, if we were the "first" to raise and offer a \$75,000 sponsorship commitment, Denturists could potentially become the Event sponsor. Together, we can make that our goal!

As an Event sponsor, Denturists would have the opportunity and honour of "naming the event". How does The 2010 Denturists International Dragon Boat Festival for Breast Cancer Awareness sound?!!! For our profession, it would be a great achievement and a proud moment.

And if the International Dragon Boat Festival organizing committee secures an Event sponsor before we have finished our effort, we are happy to provide sponsorship at another level.

Enclosed are particulars of various sponsorship levels, and a Denturist Sponsorship Form along with details on how you can make a sponsorship donation. I have set a deadline of October 31, 2009, to achieve this goal and will need your commitment by that date.

Whether \$10, \$25, \$50 or \$100 or more, sponsor what you feel you can. Please do it today.

Best Personal Regards,
Kimberley D. Paget DD
